

Evidence-Based Research Network.  
Steering Group Meeting  
Wednesday 13 January 17:00 – 18:00 (CET)

**Members present:** Hans Lund, Mona Nasser, Karen Robinson, Hanna Nykvist, Matt Wesmore, Klara Brunnhuber

**Agenda:**

**1. Promotion of EBRNetwork 2016**

- a. Evidence Live – Abstract deadline is 30 January. Hans and Klara will write the abstract. Hans prepares the first version and the focus is how to prepare a systematic review, the Sicily algorithm and the distinction between ‘users’ and ‘doers’
- b. CUE – wait to hear back from Peg
- c. Cochrane Colloquium in South Korea (Abstract deadline: April) – Mona will take charge. We are aiming for workshops and a possible theme is the papers we will be writing
- d. Peer Review Congress (September 10-12, 2017, in Chicago, Illinois, USA) (Abstract deadline: February 2017)
- e. GIN meeting is in Philadelphia in 2016 – Karen will be in charge of the abstract

**2. EBR Conference 2017**

The organising committee (Hanna, Klara, Peg, Karen and Hans) will have a meeting on 10 February. The idea is to have it in relation to the REWARD conference. Malcolm has already contacted the organisers to confirm that it is okay.

**3. EBRNetwork publication status**

The issue of timing was discussed. We all need to be aware that caveats come up during the writing process, and while we need to be open to the fact that it may take longer to produce a paper it is important that someone takes charge and make sure that we finish it. Paper #1 has taken more time than originally planned and now the authors consider dividing it into two papers.

**4. Other – we change the meeting in March from the 15<sup>th</sup> to the 19<sup>th</sup> (same time).**
